Homework is expected to be in your folder in a section clearly marked "Homeworks". This will be inspected during class. It is expected that you space these tasks over a week and not do them all in one night/day. You should neatly tick each task once it is done and file them in order in your folder. It's up to you how they look as long as they are neat. When an inspection is done, if there are absent pieces, a lunchtime detention for the applicable time will be given. 2 or more pieces missing will result in an after school detention.

If you are stuck on tasks and are not sure what they mean, you should seek guidance from your teacher.

Command words:

Analyse: Separate information into components and identify their characteristics.
